**SOUTH COAST WINERY RESORT CELEBRATES TWO DECADES OF AWARDS  
AND ACCOMPLISHMENTS IN TEMECULA VALLEY WINE COUNTRY**

***20<sup>th</sup> Anniversary Happenings: New Sustainable Red Wine Blend, Rhythm on the Vine®  
Country Series, Grape Stomps, Winemaker Dinners and Anniversary Package***

TEMECULA, Calif. – Pioneering Temecula winery and resort [South Coast Winery Resort & Spa](#) has much to celebrate on its 20<sup>th</sup> anniversary. Commemorative events include a special anniversary red blend, live country music series, grape stomps, special dinners and a luxury anniversary resort package. Since its inception in 2001, the Carter family-owned winery put Temecula Valley on the map as a premier wine destination and also set the bar for the Southern California wine industry by breaking records in both domestic and international competitions – all while accumulating over 3,000 accolades. South Coast offers approximately 45 wine labels and proudly introduces its most recent addition – a special 20<sup>th</sup> Anniversary Blend. In many ways this blend has been “20 years in the making” proving what can be created in the Temecula region – certified sustainable production of 49% Syrah, 22% Mourvèdre, 19% Grenache and 10% Petite Sirah – delivering a rich, complex Rhône-style that highlights the best of the Temecula Valley.
